

Dear RV Sales Manager,

Western RV Association (WRVA) invites you to exhibit at our 36th Annual Jamboree to be held at the Tulare International Agri-Center April 7 - 11, 2027. This is our first year in Tulare and we are excited to hold it there. We are working closely with the City of Tulare to engage the community including local businesses. We invite you to display all types of RV's both new and used. We are expecting 350-500 RVers in attendance plus 150-300 day visitors. In addition a variety of businesses (especially RV related) are purchasing space in our publication. You can find the rates on the website under RV Display.

Prior guidelines apply:

- Dealers with a Temporary Branch Location permit will be able to sell onsite. For those without a permit, WRVA will be Display only. If no DMV paperwork, each dealer showing a coach, 5th wheel or trailer must have a very visible sign reading DISPLAY ONLY, NOT FOR SALE AT THIS LOCATION. All sales must be conducted at your current licensed place of business.
- Dealers qualifying for a Temporary branch location permit, may contact DMV. Your temporary address is 4500 S. Laspina St. Tulare, CA 93274

WRVA will continue to adhere to the wishes of the majority of dealers. This allows vehicles to arrive on Monday & Tuesday and begin display on Wednesday.

- There is no cost to display the RV's. The RV display will be non-electric, generators OK. Demonstrator RVs (used to demonstrate and/or test drive) will be parked separately in a designated area. While there is no charge to display, we do request a donation of \$150 for each vehicle sold. Payment can be made via check, credit card or Zelle.
- Assignment and selection of display lots will be made on the arrival of signed contracts indicating what RVs you will bring. This is first come, first served.
- Contracts can be found at <https://wrvajamboree.com/coach-display-contract/>.
