

2027 WRVA Jamboree Online Credit Card Registration Instructions

FRVA's new online registration looks different from the mail-in form. Follow these five steps to register and pay by credit card.

Before you begin: Sign in to your existing FRVA account, or select Create Guest Account if you don't have an account.

Understanding the price: Online registration separates the pilot's ticket, RV parking, and co-pilot's ticket. Together, they equal the two-adult preregistration package price on the mail-in form. For example: \$80 pilot + \$150 dry camping + \$20 co-pilot = \$250.

1. Select Ticket

Select Pilot Full Access Registration — \$80 for the primary registrant. Click Continue. You'll include your co-pilot in Step 3.

2. Select Parking

Choose General Dry Camping, 30-Amp Electric, 50-Amp Electric, or Full Generator Parking. Although parking is labeled "Optional," select a parking option if you are bringing an RV.

If you will attend without RV parking, choose Passport / No Onsite Parking Required. Enter a parking group code only if one was provided to you. Click Continue.

3. Add Participants

Review or enter the pilot's and co-pilot's names, email addresses, and badge names—usually first names. Existing account information may already be filled in.

For the second adult, select Co-Pilot — \$20. Add any additional guests as needed, and review the volunteer opportunities. Make sure everyone attending is listed before clicking Continue.

4. Add-Ons

Optional activities include the Golf Tournament — \$120 per player and Ladies' Luncheon — \$20 per person.

For each activity, select the participant and quantity, then click Add to Cart. Click Continue when finished, or to skip these activities.

5. Checkout

Check your parking choice, participant list, optional activities, and total. Choose Credit or debit card. If you have a credit card on file, you'll have the option to use that card for registration. Otherwise, select Add new card.

Follow the payment prompts to complete registration, and keep your registration confirmation.
